### We've increased the amount we make available for certain check deposits

As of March 23, 2025, in the cases where your full check deposit is not available on the first business day after your deposit, the minimum amount we make available on the first business day after you deposit a check increased from \$225 to \$275. As a reminder, your receipt will always show the date when your deposit is expected to be available.

For more details, including the reasons we may delay the full check deposit, please see our Funds Availability Policy, in Section IV of the Deposit Account Agreement which you can find at **chase.com/disclosures**.

If you have any questions, please call the number listed on this statement.

### We're increasing the rush fee for replacement debit and ATM cards

Starting June 22, 2025, a \$15 fee will apply if you request express shipping of a replacement Chase debit or ATM card. Please know that you can still receive a replacement card at no cost through our regular mailing process.

#### Access your replacement debit card sooner by adding it to your digital wallet

- If your debit card is already in your digital wallet, you'll typically be able to use your replacement debit card once it's issued.
- If you haven't added your debit card to your digital wallet yet, we highly recommend doing so. You can add your debit card to your digital wallet in the Chase Mobile® app<sup>1</sup>. For more information, visit **chase.com/digital-payments**.

Special Note: If you have a Chase Private Client Checking<sup>SM</sup>, Chase Sapphire<sup>SM</sup> Checking or Chase Private Client Savings<sup>SM</sup> account, the rush shipping fee will not apply.

If you have any questions, please don't hesitate to call the number on this statement. We're here to help.

<sup>1</sup> Chase Mobile® app is available for select mobile devices. Message and data rates may apply.
